02 VENUE INFORMATION

Pattana Golf Club & Sports Resort

Pattana is named after Dr. Pattana Juangroongruangkit, founder of Thai Summit Group, one of Thailand's leading auto parts manufacturers. An avid golfer, Dr. Pattana always dreamed of having a golf course of his own, but sadly passed away before he could realize this dream.

After his passing, his wife, Dr. Somporn vowed to make her late husband's wishes a reality. In 2004, she launched Pattana Golf Club & Resort, a 27-hole course on a lush 400-acre resort near Pattaya. She hoped that one day it would develop into a family destination for all lovers of sport.
